## Coleman Credit Union Reports Successful Year

Over 120 persons attended the Coleman Credit and Savings Union banquet held in the Catholic hall on Saturday evening. President Mel Cornett, as chairman, introduced guest speaker Roy Hughson of Credit Union League of Alberta, from Calgary.

Using a flannograph Mr. Hughson explained in detail the function of the Credit Union League and of Credit Unions, pointing out the important role the Credit Unions have played in community life by providing a people's means to an end.

Following Mr. Hughson's informative talk, the meeting retired to the upstairs section of the hall, where the annual meeting was held.

Mr. Cornett presented the directors' report, which indicated that the Coleman Credit Union had again enjoyed a successful year. He said that the branch had now moved into an office on the main street and that for the convenience and service of the members, the office was open all week and a full-time secretary-treasurer was engaged.

On behalf of the Credit Union, Mr. Cornett expressed thanks to Mrs. Anna Jones, the secretary-treasurer, for her fine work during the year.

He stated that the Board of Directors had recommended that a patronage dividend of 14 per cent be paid, shares 3 1/2 per cent and a deposit interest of 2 per cent. This recommendation was later approved by the membership. It was also pointed out that 44 new members had joined. The membership fees were raised from 75c to 90c.

Mrs. Jones then presented the treasurer's report which showed that total share assets were \$96,674.99. During the past year, 69 loans were approved totalling \$51,562.70.

Les Owen gave a report on the supervisory committee giving a detailed talk on the activities of this committee.

John Owen, speaking for the Credit Committee, gave an outline of the loans made during the year and stated that despite the austerity program adopted by the government, which caused all banking houses and Credit Unions, considerable grief, the local Credit Union had been able to approve most of the loan applications. He felt that more loans would have

been applied for and made if the austerity program had not been brought into effect.

Robert Wood, vice-president of the Coleman Credit Union, then gave an interesting talk on percentages and costs of borrowing money from finance companies, and carrying charges made by mail order houses as compared to the percentage rates charged by Credit Unions.

Mr. Wood showed that with payment of patronage dividends to borrowers that the interest rates at the Credit Union were much lower than at other places.

An election of officers was then held with the following persons being elected by acclamation to the following positions:

Three-year directors, R. Szymanski and Harold Jones; supervisory committee, John Salus and Credit committee, Peter Topak and Danny Filafilo.

A vote of thanks was then tendered to the members of the various committees for the fine work they had done during the past year.

Representatives were present at the meeting from Blairmore, Hillcrest and Pincher Creek Credit Unions.

At the close of the business meeting a short entertainment program was enjoyed with the following artists taking part with Mr. Rudy Szymanski acting as master of ceremonies:

Solos by Mrs. Betty Tymosiw and Mrs. Helen Kropnik. Community singing, led by Mrs. Tymosiw and Mrs. Kropnik. A piano and clarinet duet by Mr. and Mrs. R. Wood and a saxophone and piano-accompanied duet by Mr. Leslie Owen and Mr. Edward Filafilo.

After the program the chairman announced the birthdays of four ladies present and all joined in to sing "Happy Birthday".

He then announced that Mr. and Mrs. Mike Tymosiw were leaving Coleman shortly for the U.S.A. to reside and all joined in singing "For They Are Jolly Good Fellows". The balance of the evening was then enjoyed in dancing.

March is RED CROSS MONTH across Canada . . . a period during which the National and International work of the Society is brought into sharp focus during fund-raising and promotional campaigns.

As a fitting prelude to the month, Sunday, March 3rd will be observed as RED CROSS SUNDAY throughout Alberta, with Saturday, March 2nd, designated as RED CROSS SABBATH.

The clergy of the major denominations in the Province have been invited to mention the humanitarian work of the Society during these days, which will also serve as an occasion to pay tribute to the hundreds of men, women and children who serve as Red Cross volunteers.

This year RED CROSS SUNDAY and RED CROSS SABBATH will have added significance in that 1963 marks "A CENTURY OF SERVICE" for the world-wide Red Cross movement.

The meeting is to be held the first week in March.

With reports indicating that the last project undertaken by the Coleman Fish and Game Association, building and stocking of Deadman's Dam, being such a success, the Association held a lively discussion on spearheading another similar project.

Several locations were discussed as possible sites for a similar project and the committee are to look into this matter.

Winners of the club's big game trophies were then called upon and winners of the awards were: Goat, Ted Michalski; moose, Jack Kerr; white tailed deer, James Kerr; mule deer, Lorne Plant; elk, Joe Poch and second, Eric Gudmundson.

Following the presentation of prizes two films on outdoor and one on a vacation in the Caribbean were enjoyed while lunch was being prepared.

## Grade Two Students Thrilled With Train Ride

The thrill of a lifetime came to reality for 28 young grade two students last week when they were taken on a train ride on the CPR Dayliner that runs through the Crows Nest Pass.

The young people, who are studying "Transportation" as a Social Studies project in the Coleman Central School, were taken on the train ride by their teacher, Miss Anne Adamiec and School Secretary Nora Goulding.

With fine co-operation from the local CPR agent, Joe Brown and the Canadian Pacific Railway, a round trip from Coleman to Crows Nest on the Alberta - British Columbia boundary was arranged.

The small charge of 40c per child was paid by the parents of the young people who were happy to co-operate in the project as many of the young people experienced their first train ride.

The excellent co-operation of the train men and conductor was also noted by the chaperones, who advised that the young people were treated in a wonderful manner, which made the trip one to remember.

Parents of many of the children wrote letters to Miss Adamiec, expressing their thanks to the teacher for planning such an exciting trip for the youngsters.

The School have also written to P. Bowman of Lethbridge, C.P.R. Superintendent, expressing thanks of the School for the CPR's fine participation in the event and also to commend Mr. Brown and the train officials who made the trip a success.

## Home & School Hear Student Panel

The Coleman Home & School Association met Monday evening, February 18th, when some 30 parents and teachers were present.

Highlight of the evening was a panel discussion on the pros and cons of students wearing school uniforms.

The panel comprised two debating teams made up of Steven Truch, Shirley Campbell, Esther Anne Stonehouse and Tommy Wavrean on the "pro" side and Marilyn Liddell, Claire Fabro, Judy Coover and Robert Franz on the "con" side.

An interesting and lively debate took place with Moderator Tony Storcer finding difficulty in deciding the winning side as the two teams presented some well-prepared arguments.

Following a short business session a lunch was served by the committee.

## Crows Nest Pass Variety Concert Successful

Voted as one of the best variety concerts ever held in the Crows Nest Pass District, the Crows Nest Pass Band, the Crows Nest Pass Symphony Orchestra, the Crows Nest Pass Chorus and Song Flute Band presented a two-hour-long concert of music that entertained a record audience of close to 500 persons.

Proceeds from the Concert are for the band and symphony operation and expenses during the year. The concert was held in the auditorium of the Isabelle Sellon High School.

The first part of the concert was presented by the Crows Nest Pass Band directed by Band Master Frank Edl with the second part being presented by the flute band directed by little Patsy Tompkins of Bellevue. Part three of the concert featured the Crows Nest Pass Chorus with close to fifty voices, directed by Reverend Denis Fleming of Coleman who presented four very pleasing numbers. The 28-member Crows Nest Symphony Orchestra, directed by Roy Upton of Coleman delighted the audience with four numbers after which the Crows Nest Pass Band with 26 members played several numbers and then also played with the

young peoples' flute band. A number of solos and combinations from the various groups were also presented and were well appreciated by the large audience.

The large attendance at the concert displayed the great appreciation of the people of the Crows Nest Pass who came out to support the local musical groups who in turn presented a concert that was second to none. Much credit is due to Bandmaster Frank Edl, Symphony director Roy Upton, and Father Fleming for the untiring efforts they put forth in preparing for the program and for keeping alive the musical groups in the Crows Nest Pass. It is pleasing to note that entire families take part in the bands and symphonies which is one of the features that has kept alive such fine musical talent in the Crows Nest Pass towns over the years.

**Dr. Lawrence Kindt  
Nominated for Fourth Time**

With the solid endorsement of over 300 delegates to the convention of Macleod Federal Progressive-Conservative Association, held in High River Memorial Centre, Wednesday, February 20th, Dr. Lawrence Kindt was nominated for the fourth time.

Dealing with resignations from the cabinet, he stated that Prime Minister John Diefenbaker would not be swayed in his judgment of what he considered best for Canada, and though this nation was willing to co-operate with the United States in continental defence, he would not submit to poli-

cies which would place Canada in a subservient role, whereby it could be plunged into war without consultation or consent of the Canadian government.

Despite the attitude of cabinet ministers who through disagreement resigned, Dr. Kindt stated that of the 116 P-C members of

parliament, 113 stood solidly behind the Prime Minister in endorsing his policy on defence and the use of nuclear weapons.

Canada had been thrown into a state of confusion in last year's election because of splinter groups—neither of which had national policies. With three groups in the House of Commons, and the attitude of the Liberal party determined immediately parliament assembled, to overthrow the government, it was impossible because of their obstruction, amounting to a prolonged filibuster, to pass legislation prepared by the government.

Finally, winning over the support of the splinter groups, they attained their objective, regardless of the national interests.

Addressing the convention in support of Dr. Kindt, the Hon. Walter Dinsdale, member for Brandon-Souris, Manitoba, since 1951, referred to the early days of the Conservative party under Sir John A. Macdonald, united Canada's first Prime Minister.

It was under his regime that a truly national policy was followed, and since Confederation the people had adhered to the two-party system. This nation had prospered under the two parties, even though the Liberal party had its eyes turned more to the great nation to the south of us, while the Conservative party's first and prime objective was to weld this Dominion from the Atlantic to the Pacific, with its diverse provincial differences in national affairs, into a united nation administering its own affairs without outside influence or interference.

As Minister of Northern Affairs and National Resources, he outlined the progress being made in the Northwest Territories, and the building of a railroad and other facilities to help in the development of natural resources. In its five years of office there has been a steady increase in exports, and the prairie farmers had benefited

ed through the sale of wheat to foreign countries, whereby the huge surplus of grain had been eliminated.

Mrs. Kindt was given a vote of appreciation for her assistance in the parliamentary duties of her husband, as she has resided in Ottawa during the sessions and last year was president of the Parliamentary Wives Assn.

Campaign strategy is being planned immediately for meetings in all regions of this large constituency of Macleod, under the direction of F. S. Kreutzer, president of the P-C Association, Philip Hodnett, secretary-treasurer, and the executive comprised of representatives of the several regional committees in the constituency.

**Dr. R. Bostrom  
Liberal Candidate**

CLARESHOLM, Alta. — Dr. Robert Bostrom was nominated here as Liberal Candidate in Macleod riding Thursday afternoon. He won over Reg Armstrong, by 43 votes to 35. Dr. Bostrom was nominated by Collin Preece of Pincher Creek, Alberta.

Dr. Bostrom is a graduate of Oxford University and is employed by Standard Oil Company of California in Calgary. He has a doctor's degree in natural science.

He was born in Edinburgh, Scotland, has three children and plans to use a sound truck in his campaign throughout the rural areas of the Macleod constituency which extends from Midnapore to the U. S. border.
